Few, very lew, however, among the multitudes now using it, are disappointed. Used as it is, both EX TERNALLY and INTERNALLY, it stands the greater chance of reaching the seat of disease. There are various kinds of old Petrol-um—offensive to smell and taste. Many of the Liniments of the day smell and taste. Many of the himmens of the say (and some are very good) are compounded in part with some kind of Rock Oil.
